

KPL Spring Book Sale Weekend is Here!
April 7, 2017

Recognition:

Congratulations to the following students who will be honored today as our March Students of the Month as they attend the Westmoreland Lion's Club Luncheon: Ella Dewey, Jaelyn Williams, Everett Currier, Nancy Lou Shapiro, Romello Melecio, Anna Hildreth, Emma Fallon, Hayden Gourley, and Riley Chamberlin.

PLEASE- No More Slime! So I am sure many of you are aware of the Slime craze going around and some of our students have been honing their creative and entrepreneurial skills with this product recently. At this time however, we ask that students do not bring Slime or slime-making products to school as it has become a distraction to learning for many. Thank you for your help with this matter.

Update:

Save South Sudan Fundraiser

The seventh grade class organized a school wide contest to help raise money for people in South Sudan who are going through famine and lack of water. They are also going through a tough time of war.

RESULTS ARE IN: Overall, we raised \$575 as a school with the top classes being 4th grade which raised \$202 and 7th grade raising \$113.

In addition, there will be a night where if you buy a meal at Chipotle and mention our fundraiser, then half of the proceeds will go to us and then on to World Food Program, a program who is helping South Sudan through this hard time. The restaurant night will be held on April 25th at the new Chipotle in Keene. These fundraisers were inspired by reading the book A Long Walk to Water and a more recent article about South Sudan. Thank you for your time! -The 7th grade class

We will hold our annual baseball/softball field clean up day on Saturday, April 22nd from 8:00-12:00. Your help is needed and appreciated. Bring your families, shovels, rakes, and wheelbarrows and stay for as long as you can! Students can also earn community service hours.

(April 22 is also the Town-Wide Roadside Clean Up, sponsored by the Westmoreland Lion's Club and middle school students can get community service for that as well)
