Have you heard the “hoooooots”? The Owls are coming!!!!

The Westmoreland PTA is proud to bring the students an up-close and personal educational program on OWLS!

"Eyes On Owls" Program is coming to school Monday, March 20th to Westmoreland (snow date March 27th). Students will get a chance to see SIX live owls and learn about owls - especially those living in New England. The programs are happening during the school day to ensure all students get the opportunity to benefit from this unique educational program.

The PTA is proud to be able to sponsor this type of program at Westmoreland. Parent and community support of the 2016 Bulldog 4 Fun Run has enabled the PTA to bring in “Eyes on Owls”. We thank you for your support and encourage your participation in future PTA fundraisers so the PTA can continue to enable unique educational and enrichment opportunities for the students of Westmoreland.
